## SPONSOR-A-FAMILY INN LONG TERM HOUSING PROGRAM

### What is The INN's Long Term Housing Program?

The INN's Long Term Housing Program provides families with an opportunity to achieve goals of self-sufficiency and independence. Homeless families who qualify for the program are offered homes at an affordable rental rate. Additionally, the entire family receives case management services to assist them with educational and vocational goals. The program focuses on the elimination of the causes of homelessness so families become self-sufficient and successfully graduate from our program.
